TO WHOM IT MAY CONCERN

I am pleased to recommend **Oluwaseun Ojekunle**, who served as the Community Manager at IgniteVA from January 8th, 2025 to July 31st, 2025.

Throughout this period, Oluwaseun was responsible for managing our online community, and she did so with creativity, consistency, and dedication. She kept the community active and engaging through regular posts, thoughtful content, and interactive conversations.

Her ability to foster connection, maintain engagement, and communicate effectively made her an invaluable part of our team. I highly recommend Oluwaseun for any role that requires strong community management and communication skills.
